BIDDING

Bidding will open 7 p.m. (EST) January 7 and closes 7 p.m. (EST) January 9, 2022.

Bidding on lots will close every 2 minutes. A SOFT CLOSE bidding system is used. If bids are received within the last 3 minutes on the "countdown timer" (located on each lot) on a stallion, an additional 3 minutes will be added on that lot. Only after a 3-minute period passes with no additional bidding will the bidding close. Bidders have more time to think and react than with a live auction.

STALLION SERVICES THAT SELL TWICE

'B' lots must sell for an equal or higher amount than their associated 'A' lot. Any 'B' lots that do not meet this requirement will be considered a 'NO SALE.'

BIDDING PROCEDURE

After the bid opening, a Bidder may place individual bids that are \$50 higher than the previous bid. Alternatively, a Bidder may place maximum (proxy) bids where they declare the maximum dollar amount they want to bid, and the computer will bid on their behalf until they have successfully purchased the stallion service or the asking price exceeds the amount of their maximum bid. Buyers will be notified if they are the successful purchaser of a stallion service via email, immediately after the bidding closes. Buyers are required to make payment through Professional Horse Services, LLC within 3 business days of the close of bidding on each stallion service they purchase.

These rules are effective for the auction year of 2022.

Iowa Quarter Horse Association (IQHA) Breeder's Futurity and Stallion Auction are functions of the Iowa Quarter Horse Association. Any rules herewith can be changed, added to, or denied at the discretion of the Board of Directors of the Iowa Quarter Horse Association.

IQHA Breeder's Stallion Auction 2022 General Rules

PURPOSE

The IQHA Breeder's Stallion Auction offers the opportunity to stallion owners to donate a service or services of their stallion(s) to this program for purchase by others to breed their mare's to. The resulting foals of this breeding are then eligible to participate in the IQHA Breeder's Futurity Classes that are held at the Fall Classic Show. The stallion owner can also enroll a foal by that stallion into the program one per each sold stallion fee. Foals by the donated stallions are also eligible to participate in the IQHA Breeder's Incentive Futurity Program. The IQHA Breeder's Futurity & the IQHA Breeder's Incentive Futurity Programs are designed to showcase the offspring of these stallions in both halter & performance divisions.

STALLION OWNERS

1. To donate your stallion(s) service(s), please contact IQHA by email at iowaqha@gmail.com or contact anyone on the IQHA Breeder's Stallion Auction committee, their contact information can be found on our website at www.iowaquarterhorse.com, click on the "About" tab, then click on the "Committees" tab.
2. The stallion owner/agent is responsible for filling out the Stallion Agreement Form, found on our website, completely & must list all fees beyond normal breeding expenses on that form. The stallion owner will designate where the money from the service fee(s) on their stallion will be placed, whether 100% to the Halter Division, 100% to the Performance Division or 50% to the Halter division & 50% to the Performance Division. Regardless of how the money is designated the resulting foals, if duly nominated, are eligible for all divisions of the Breeder's Futurity regardless of the assignment of proceeds. If the stallion owner/agent does not designate on the stallion form, the Breeder's Futurity committee will make that determination.
3. Service fees on the auction will start at 60% of the advertised fee or a minimum of \$350.00. Private treaty horses will start at \$500.00 unless stallion owner requests otherwise prior to the auction.
4. Stallion owners may nominate/show one (1) foal for each stallion service donated and sold (i.e. if the stallion owner put the stallion in one (1) time they would have one (1) mare/foal eligible form nomination. If the stallion owner puts the stallion in two (2) times, they would have two (2) mares/foals eligible for nomination). The stallion service fee must sell by August 1, 2022, for the stallion owner to have an eligible entry. If the service does not sell, the stallion owner forfeits their entry or entries but could still participate in the IQHA Breeder's Incentive Futurity for a fee, see rules for that program on our website.
5. The stallion owners are responsible for nominating their mare(s) and entering the eligible foal(s) by filling out the required paperwork/forms & submitting with the correct fees. Failure to submit required paperwork/forms will result in an ineligible entry.
6. 10% of the winnings of each foal in the Breeder's Futurity Classes will be paid to stallion owner of said foals.
7. 10% of the total sales from the auction will be put into the General Breeder's account to use for expenses & awards.

MARE OWNERS

1. The stallion service must be purchased thru the IQHA Breeder's Stallion Auction in order for the resulting foal to be eligible.
2. The IQHA Breeder's Stallion Auction is able to utilize live, phone & online bidding.
3. A bid is a binding agreement to pay. The winning bidder for each breeding must submit a check made out to the IQHA Breeders Futurity or pay by credit card within five (5) business days of the auction closure January 16, 2022. A 4% service fee will be assessed on all credit card transactions. If payment is not received in full within five (5) days from the auction close date IQHA may, at its own discretion sell the stallion service to the next highest bidder, relist the stallion service, or exercise any action necessary to collect money due. Mail checks to: IQHA, Attn: Brian Hamrick, 720 Merritt Rd., Springville, IA 52336.
4. The purchaser of the stallion fee will be charged an IQHA membership if not a current member at the time of sale.
5. The mare owners are responsible for nominating their mare and entering the foal(s) by filling out the required paperwork/forms & submitting with the correct fees. Failure to submit required paperwork/forms will result in an ineligible entry.
8. Reselling the breeding purchased in the same year will be permitted as long as the transfer form is completed. A fee of \$100 will be charged which is due and payable at the same time the transfer form is sent in.
9. 10% of the total sales from the auction will be put into the General Breeder's account to use for expenses & awards.

Return Services

1. Should a mare not conceive the first year of service, the mare will be given return service the second year. **To remain eligible, the open mare nomination form must be completed and sent in with the appropriate fee by December 1st of the current year for the lowest payment amount,** see "Mare Nomination" section. In case of death of original mare or should she prove unbreedable a substitute mare will be accepted. Money from the stallion service fee auction money will be moved to the following year. Only registered Quarter Horse mares (with an AQHA number) will be accepted by this committee for nomination in the IQHA Breeder's Futurity. Persons wanting to breed other than Quarter Horse mares (i.e. Paints, Appaloosas, etc.) must seek approval from the stallion owner and resulting foal **WILL NOT** be eligible to enter the futurity.
2. Contract will allow only 3 years for carryover as long as the stallion owner is willing to perform service the third year, it will be acceptable to the committee. **The mare nomination is due each year to maintain eligibility regardless if the mare is bred or open that year,** see "Mare Nomination" section. The nomination must be paid prior to the original purchase year's auction weaning class for the IQHA Breeder's Futurity.

3. If, due to extenuating circumstances, concerning a return privilege, death of mare, or should she prove unbreedable, the matter will be referred to the board of directors to make a ruling.

1

Return Services (cont'd)

4. In the event of a mare aborts, or death of a foal at the time of foaling, the mare owner will be allowed to substitute a second mare before the second mare foals or have the option to re-breed the following year. Mare owner must send a certificate from the vet to certify. This must occur immediately upon the death of the foal. In the event of a foal born with a genetic disability, owner would notify the Breeders Futurity Committee at the time of death and/or discovery and send proper verification including vet certificate indicating the new mare's information. All other extenuating circumstances resulting in the death of a foal may be brought to the board for any decisions resulting in carryovers or substitutions.

Credits

In the event of death of a stallion, stallion become unserviceable, or should stallion owner, manager or lessee refuse to honor contract for any reason, credit will be given to purchaser for the following year or years for the same amount on another breeding fee through the auction. The credit will be removed from the auction year sold to the year that results in the successful breeding.

UNSOLD SERVICES

Service fees not sold on the auction are available to a qualified purchaser up to August 1, 2022, for 60% of the advertised fee plus \$50.00 or a minimum of \$400.00. Private treaty horses will start at \$500.00 plus \$50 (\$550) unless stallion owner requested otherwise prior to the auction.

MARE NOMINATIONS

A nomination of the mare (open or in foal) must be made by December 1st of the year the stallion service was purchased from the auction, regardless if the mare is bred that year or not. The proceeds will be split by the stallion designation that the mare is bred to and put into the appropriate division, 100% halter, 100% performance or 50%/50% halter & performance. \$20 of each mare nomination is put into the General fund to cover expenses, the remaining mare nomination is split into the prize money, see "Prize Money" section for details.

All judges scores will count towards the final placings. **Owner and Exhibitor** of the horse at the time shown must be current members of IQHA. A complete photocopy of the eligible horse's AQHA or application papers must be sent to the Breeder's Futurity Committee with the class entry. Foal WILL NOT be eligible if the aforementioned requirement is not fulfilled. Registration papers or breeder's certificate may be checked at the gate the day of the show. A copy of the original AQHA registration papers must be sent to the IQHA office and verification of papers will possibly be made with AQHA before any prize money is paid. Any horse that is disqualified is ineligible for prize money & awards. The paybacks will be refigured using the number of horses being judged in that class.
