BIDDING

Bidding will open 7 p.m. (CT) January 3 and closes 5 p.m. (CT) January 5, 2025. Bidding on lots will close every 2 minutes. A SOFT CLOSE bidding system is used. If bids are received within the last 3 minutes on the “countdown timer” (located on each lot) on a stallion, an additional 3 minutes will be added on that lot. Only after a 3-minute period passes with no additional bidding will the bidding close. Bidders have more time to think and react than with a live auction.

STALLION SERVICES THAT SELL TWICE

'B' lots must sell for an equal or higher amount than their associated 'A' lot. Any 'B' lots that do not meet this requirement will be considered a 'NO SALE.'

BIDDING PROCEDURE

After the bid opening, a Bidder may place individual bids that are \$50 higher than the previous bid. Alternatively, a Bidder may place maximum (proxy) bids where they declare the maximum dollar amount they want to bid, and the computer will bid on their behalf until they have successfully purchased the stallion service or the asking price exceeds the amount of their maximum bid. If outbid email and a text notification are sent to the bidder. Buyers will be notified if they are the successful purchaser of a stallion service via email, immediately after the bidding on the last item closes. Buyers are required to make payment through Professional Horse Services, LLC within 3 business days of the close of bidding on each stallion service they purchase.

We will not reverse bids after the auction has begun to close, there will be NO exceptions.

Pay Professional Horse Services, LLC in all cases. **ALL SALES FINAL.** Payment may be made in the form of MasterCard, Visa or American Express credit cards, cash, bank wire transfer, official bank check, or valid traveler's checks. In no case may any part of the purchase price be paid directly to the stallion owner by the Buyer, as such payment shall not be valid or entitle the buyer to obtain the breeding.

15. **DEFAULT ON PURCHASE:** If any person shall purchase a breeding and not pay for it as prescribed above, Professional Horse Services, LLC and/or the Iowa Quarter Horse Breeders shall have the right to resell the breeding or at their option bring legal action in which event buyer agrees to pay all cost of such suit together with reasonable attorney fees as fixed by the court. In the event of resale the defaulting buyer agrees to pay all costs of resale and price deficiency, if any. Interest of 1-1/2% per month will be charged on the unpaid balance of any account not paid for as set forth in these conditions. Information regarding defaulting purchase shall be provided to the Foundation.

16. **NO GUARANTEE OF SERVICE:** Professional Horse Services, LLC, and EDJE Auctions.com (EDJE Technologies, Inc.) do not guarantee or covenant that the Auction technology, the EDJEAuctions.com site or any related services will meet Buyer's requirements or be uninterrupted or error-free. These rules are effective for the auction year of 2025.

Iowa Quarter Horse Association (IQHA) Breeder's Futurity and Stallion Auction are functions of the Iowa Quarter Horse Association. Any rules herewith can be changed, added to, or denied at the discretion of the Board of Directors of the Iowa Quarter Horse Association.

IQHA Breeder's Stallion Auction 2025 General Rules

PURPOSE

The IQHA Breeder's Stallion Auction offers the opportunity to stallion owners to donate a service or services of their stallion(s) to this program for purchase by others to breed their mares to. The resulting foals of this breeding are then eligible to participate in the IQHA Breeder's Futurity Classes that are held at the Fall Classic Show. The stallion owner can also enroll a foal by that stallion into the program one per each sold stallion fee. The IQHA Breeder's Futurity Program is designed to showcase the offspring of these stallions in both halter & performance divisions.

STALLION OWNERS

1. To donate your stallion(s) service(s), please contact IQHA by email at iowaqha@gmail.com or contact anyone on the IQHA Breeder's Stallion Auction committee, their contact information can be found on our website at www.iowaquarterhorse.com, click on the "About" tab, then click on the "Committees" tab.
2. The stallion owner/agent is responsible for filling out the Stallion Agreement Form, found on our website, completely & must list all fees beyond normal breeding expenses on that form. The stallion owner will designate where the money from the service fee(s) on their stallion will be placed, whether 100% to the Halter Division, 100% to the Performance Division or 50% to the Halter division & 50% to the Performance Division. Regardless of how the money is designated the resulting foals, if duly nominated, are eligible for all divisions of the Breeder's Futurity regardless of the assignment of proceeds. If the stallion owner/agent does not designate on the stallion form, the Breeder's Futurity committee will make that determination.
3. Service fees on the auction will start at 60% of the advertised fee or a minimum of \$350.00 plus a \$50 mare nomination. Private treaty horses will start at \$500.00 plus a \$50 mare nomination unless stallion owner requests otherwise prior to the auction.
4. Stallion owners may nominate/show one (1) foal for each stallion service donated and sold (i.e. if the stallion owner put the stallion in one (1) time they would have one (1) mare/foal eligible for-nomination. If the stallion owner puts the stallion in two (2) times, they would have two (2) mares/foals eligible for nomination). The stallion service fee must sell by August 1, 2025, for the stallion owner to have an eligible entry. If the service does not sell, the stallion owner forfeits their entry or entries.
5. The stallion owners are responsible for nominating their mare(s) and entering the eligible foal(s) by filling out the required paperwork/forms & submitting with the correct fees. Failure to submit required paperwork/forms will result in an ineligible entry.
6. 10% of the winnings of each foal in the Breeder's Futurity Classes will be paid to the stallion owner (at the time of the show) of said foals.
7. 12% of the total sales from the auction will be put into the General Breeder's account to use for expenses & awards.
8. The cost of the auction & auction coordinator will be deducted from the sales amount & put into the General Breeder's Account.
9. \$3000 from the sales will be put into the General Breeder's Account for the Super Horse Award.
10. For Stallion Owner's or Stallion Owner Release breeding's: A \$50 Mare Nomination form will need to be submitted by December 1, 2025 for the lowest fee. Fee must be received prior to foaling.

MARE OWNERS

1. The stallion service must be purchased thru the IQHA Breeder's Stallion Auction in order for the resulting foal to be eligible.
2. The IQHA Breeder's Stallion Auction is able to utilize live, phone & online bidding.
3. A bid is a binding agreement to pay. The winning bidder for each breeding must submit a check made out to the IQHA Breeders Futurity or pay by credit card within five (5) business days of the auction closure. A 4% service fee will be assessed on all credit card transactions. If payment is not received in full within five (5) days from the auction close date IQHA may, at its own discretion sell the stallion service to the next highest bidder, relist the stallion service, or exercise any action necessary to collect money due. Mail checks to: IQHA, Attn: Brian Hamrick, 720 Merritt Rd., Springville, IA 52336. A \$50 returned check fee plus any additional bank charges will be applied to all returned checks.
4. The purchaser of the stallion fee will be charged an IQHA membership if not a current member at the time of sale.
5. The mare owners are responsible for nominating their mare (if necessary) and entering the foal(s) by filling out the required paperwork/forms & submitting with the correct fees. Failure to submit required paperwork/forms will result in an ineligible entry. The \$50 mare nomination fee will be added onto the purchase price, you will NOT have to submit a mare nomination form for the purchased breeding for the first year. If using a Stallion Owner slot, Stallion Owner Release or a carryover breeding from a previous year, you DO have to submit a mare nomination form & fee.
6. Reselling the breeding purchased in the same year will be permitted as long as the IQHA Breeder's Futurity committee is notified in writing.
7. 12% of the total sales from the auction will be put into the General Breeder's account to use for expenses & awards.
8. A \$50 Mare nomination fee will be included in the purchase price for breeding's purchased through the auction. No mare nomination form is necessary for the first year of breeding. The resulting foal will need to have an entry fee or a carryover fee paid for each year once foal is born.
9. If mare is open the following year, a \$50 mare nomination will be required the next year to maintain eligibility.
10. For Stallion Owner's or Stallion Owner Release breeding's: A \$50 Mare Nomination form will need to be submitted by December 1, 2025 for the lowest fee. Fee must be received prior to foaling.

Return Services

1. Should a mare not conceive the first year of service, the mare will be given return service the second year. **To remain eligible, the open mare nomination form must be completed and sent in with the appropriate fee by December 1st of the current year for the lowest payment amount,** see "Mare Nomination" section. In case of death of original mare or should she prove unbreedable a substitute mare will be accepted. Money from the stallion service fee auction money will be moved to the following year. Only AQHA registered mares will be accepted by this

committee for nomination in the IQHA Breeder's Futurity. Persons wanting to breed other than Quarter Horse mares (i.e. Paints, Appaloosas, etc.) must seek approval from the stallion owner and resulting foal **WILL NOT** be eligible to enter the futurity.

2. Contract will allow only 3 years for carryover as long as the stallion owner is willing to perform service the third year, it will be acceptable to the committee. **The mare nomination is due each year to maintain eligibility regardless if the mare is bred or open that year**, see "Mare Nomination" section. The nomination must be paid prior to the original purchase year's auction weanling class for the IQHA Breeder's Futurity.
3. If, due to extenuating circumstances, concerning a return privilege, death of mare, or should she prove unbreedable, the matter will be referred to the board of directors to make a ruling.
4. In the event of a mare aborts, or death of a foal at the time of foaling, the mare owner will be allowed to substitute a second mare before the second mare foals or have the option to re-breed the following year. Mare owner must send a certificate from the vet to certify. This must occur immediately upon the death of the foal. In the event of a foal born with a genetic disability, owner would notify the Breeders Futurity Committee at the time of death and/or discovery and send proper verification including vet certificate indicating the new mare's information. All other extenuating circumstances resulting in the death of a foal may be brought to the board for any decisions resulting in carryovers or substitutions.

Credits

In the event of death of a stallion, stallion become unserviceable, or should stallion owner, manager or lessee refuse to honor contract for any reason, credit will be given to purchaser for the following year or years for the same amount on another breeding fee through the auction. The credit will be removed from the auction year sold to the year that results in the successful breeding.

UNSOLD SERVICES

Service fees not sold on the auction are available to a qualified purchaser up to August 1, 2025, for 60% of the advertised fee and a \$50 mare nomination plus \$50.00 or a minimum of \$450.00. Private treaty horses will start at \$500.00 plus a \$50 mare nomination plus \$50 (\$600) unless stallion owner requested otherwise prior to the auction.

MARE NOMINATIONS

The proceeds will be split by the stallion designation that the mare is bred to and put into the appropriate division, 100% halter, 100% performance or 50%/50% halter & performance. \$20 of each mare nomination is put into the General fund to cover expenses, the remaining mare nomination is split into the prize money, see "Prize Money" section for details.

Breeding Purchaser's:

- A \$50 mare nomination will be included in the purchase price of the breeding.
- If mare is open the following year, a \$50 mare nomination will be required the next year to maintain eligibility.
- If the mare is bred the year of the auction, then either an entry fee or a carryover payment beginning with the weanling year through the 3 year old year of the foal will be required to maintain eligibility for the resulting foal.

Stallion Owner's & Stallion Owner Release Breeding's:

- A mare nomination (regardless if mare is open or in foal) must be made by December 1st of the year the stallion service was purchased from the auction, regardless if the mare is bred that year or not.
- The mare nomination fees will be as follows: **(Must be submitted whether the mare is open or in foal)**

 - If postmarked on or before December 2-December 31, 2025-\$75
 - If postmarked after December-31, 2025 but prior to the mare foaling-\$100

PURPOSE

The IQHA Breeder's Futurity is designed for breeders, owners & exhibitors to showcase offspring that were the result of a breeding purchased through the IQHA Breeder's Stallion Auction. IQHA Breeder's Futurity classes will be held during the Iowa Quarter Horse Fall Classic Show and Futurity. Both halter and performance divisions of the program are available.

EXHIBITION

The IQHA Breeder's Futurity is held each year at such a place as may be designated by the IQHA Board of Directors. The Breeder's Futurity will be run accordingly to AQHA rules, longe line classes will follow NSBA rules. Qualified AQHA-approved judges will judge all classes. All judges scores will count towards the final placings. **Owner and Exhibitor** of the horse at the time shown must be current members of IQHA. A complete photocopy of the eligible horse's AQHA or application papers must be sent to the Breeder's Futurity Committee with the class entry. Foal WILL NOT be eligible if the aforementioned requirement is not fulfilled. The digital papers or a copy of the original AQHA registration papers must be sent to the IQHA office and verification of papers will possibly be made with AQHA before any prize money is paid. Payback will be forfeited if AQHA papers are not provided 365 days from the show date (including day of the show). Any horse that is disqualified is ineligible for prize money & awards. The paybacks will be refigured using the number of horses being judged in that class.

DRUG TESTING

All horses are subject to drug testing/DNA testing. The IQHA Board of Directors determines the method of testing. IQHA follows the drug rules & allowable levels set by AQHA of the year of the Futurity classes. Medication forms will be provided at check in if necessary. Prize money will be distributed after drug test results are received. If a horse is tested positive, all prize money and awards will be forfeited & the horse will be considered disqualified. The results & prize money will be adjusted with the disqualification. The cost of the drug testing will be paid out of the General Breeder's Account. Refusing to comply and/or not reporting for a drug test when instructed too results in the forfeit of any prize money & awards.

PRIZE MONEY

- All proceeds from the sale of the stallion services on the IQHA Breeder’s Stallion Auction (less 12% of total sales, cost of auction, auction coordinator & \$3000 for the Super Horse Award), mare nominations, entry fees, carryover fees & interest earned will be used as “Prize Money”, this does not include the \$25/horse office fee charged with the entry.

These amounts will be prorated per head for each class within the division.

Mare Nominations:

- \$30 of each mare nomination paid will be split by the stallion designation that the mare is bred to and put into the appropriate division, 100% Halter, 100% Performance or 50% Halter/50% Performance.

Entry Fees:

- All entry fees collected for the class the year of the show are paid back to that class for that year.
- Horses that are paid for using the One Time Nomination fee, are assigned as a \$75 entry/class for the class(es) held that year.
- In the case of Halter fillies/colts/geldings, their entry fees are divided per head for entries shown in each class.
- Early & Late Halter divisions will be split as evenly as possible out the of total number of entries to actually be shown-the splits are figured the day before the class shows after the 5 pm entry deadline. The prize money will be split on a per head shown basis.
- Performance division classes are assigned per entry into each class.

Carryover Fees:

- The carryover fees collected from the previous year will be added into the prize money & split per head among the horses showing the following year.

Interest Earned:

- The interest earned in the time period between shows will be added into the prize money & split per head among the horses showing the following year.
